The Arlo®
Cash Drawer

An Economical Solution for Light Cash Use Environments

A SOMA™
Family Solution

The Arlo cash drawer delivers uncompromising performance and quality, providing a low cost of ownership for light cash use environments. Purpose built for the entry-level market, the Arlo cash drawer is easy to use enabling efficiency throughout the checkout process.

The Soma family product line is designed for a market segment that has a relatively low number of cash transactions. As a member of the Soma family product line, the Arlo cash drawer is a reliable solution with its smooth ball-bearing roller wheels, ensuring 500,000 plus transactions.

The till of the Arlo 410 (16 inch drawer) can accommodate 5 bills and 5 coins and is set up for US currency. Other till/currency configurations are also available. The till for the compact Arlo 330 (13 inch drawer) is 4 bills and 5 coins and is also set up for US currency or 4 bills and 5 coins for Canadian currency.

High Capacity
US currency configuration options include a 5 Bill, 5 Coin till for the (410) 16" and a 4 Bill, 5 Coin till for the (330) 13" size drawer.

Media Storage
Two beveled media slots on the drawer front enable the storing of large bill denominations, receipts or checks securely under the till.

Functional
Built with steel construction and roller wheels, the Arlo cash drawer has a life expectancy tested beyond 500,000 operational cycles

Security
The Arlo cash drawer provides peace of mind with a drawer open status switch for reporting drawer status back to the POS application.
