

CERTIFICATE OF COMPLIANCE

Paragon Part Number:	BCF110450-1S
Reference Laboratory Report:	SGS Test Report No. SGACP260002135
Report Date:	June 2, 2026
Referenced Sample:	SW 200

Statement of Compliance

Paragon Print Systems, Inc., dba The BarcodeFactory, certifies that the product supplied under Paragon part number BCF110450-1S is represented as corresponding to the material identified as sample "SW 200" in SGS Test Report No. SGACP260002135. Based on that SGS laboratory report, the submitted sample was evaluated for Cadmium, Lead, Mercury, Hexavalent Chromium, polybrominated biphenyls (PBBs), polybrominated diphenyl ethers (PBDEs), and specified phthalates. The SGS report concludes that the reported results comply with the limits set by RoHS Directive (EU) 2015/863 amending Annex II to Directive 2011/65/EU.

Basis and attribution

This is a Paragon-issued certificate based on the referenced third-party SGS test report. Paragon did not perform the laboratory testing. This certificate does not alter or reissue the SGS report and does not represent that SGS tested or certified Paragon directly. The original SGS report controls for test methods, detailed results, limitations, and conclusions.
