Appendix

Warranty Coverage Scope: Not all features or options available under the warranty apply to all products in all regions. For detailed information regarding warranty service availability in a specific region, please contact Bluebird sales manager for more information.

- ① Bluebird Care is limited to paid products and must be purchased within 30 days of the shipment date. Bluebird Care is activated from the shipment date. Accessories have a warranty of 6 months, and batteries have a warranty of 1 year from first date of warranty. Regardless of the warranty, this period is only covered.
- ② Internet Help Desk : You can get appropriate service through Bluebird KS and a regional service manager.
- ③ Service Turnaround Time (TAT) is the length of time when defective device held in a Bluebird authorized service center. It does not include time for transition or waiting for customer response.
- ④ The maximum extension period for Warranty depends on Model.
- ⑤ 1 or 2 years Renewal : The period of warranty can be extended when Value Plus or Enterprise Standard is activated. Renewal warranty period starts from the expiration date of current one.
- ⑥ You can place an online repair order through the Online Repair Order Portal "Bluebird SRM/BGSS SYSTEM (bluebirdcorp.com)". You can access repair services more swiftly by choosing one of our authorized service partners closer to your office location. If you have any inquiries, please contact us at the email address below.
 - ◆ E-mail Contact : Service@bluebirdcorp.com
- ⑦ Out of Coverage : Warranty coverage does not include any of the cases below:
 - ◆ Repair performed by an unauthorized service center or an untrained person for breakages.
 - ◆ Original factory serial numbers have been removed, deleted, damaged.
 - ◆ Damages by improper use such as inappropriate packing, opening, assembling, installation, removal, etc.
 - Damages by external shock on purpose.
 - Damages resulting from abnormal use or abuse.
 - Dismantlement by an unauthorized person, intentional damage, accidental disruption by conflagration, larceny, war, or disruption by natural disasters like flood or earthquake.
- ⑧ 2-Way Shipping : 2-way shipping cost (inbound and outbound between customer and service center) covered by warranty. Without this option, only outbound (return) shipping shall be covered.
- ⑨ Battery Refresh
Cost for shipping, packaging, handling and replacing battery is not included in the Battery Refresh option. It can be restricted depending on the country where the customer is located according to IATA (International Air Transport Association) rules. To proceed with Battery Refresh, please contact Bluebird local service manager.
- ⑩ If you are in an exceptional situation that cannot be applied to Bluebird Care, Bluebird can offer a customized warranty under prior consultation.

Guide Notification

This Bluebird service guide provides an overview of Bluebird global service programs about break- fix issues with Bluebird industrial mobile devices, hardware packages and software support. It doesn't include any other company devices or terminals, solutions and service. Bluebird may update the content of the Guide from time to time. The new version of this guide and policy will automatically apply once partners renew their Technical Support or Bluebird Support package.

Modifications to this policy by Bluebird Global Service Group

Bluebird reserves the legal right to interpret every material made by Bluebird for Bluebird's own profit and modify this policy by posting a revised policy on and/or through the services and providing notice to you.

This guide and policy has changed, generally via email (including partners' old email address not changed) where practicable, and otherwise through the services(such as through a notification on Bluebird online sites or in our mobile applications).

Modifications will not apply retroactively. Partners are responsible for reviewing and becoming familiar with any modifications to this policy.
