Get the most out of your investment
with Brother Assure Offerings

Assure Service Program

Brother Mobile Solutions is not only at your side with innovative products helping today's on-the-go businesses, we now offer Brother Assure Extended Warranty Services to ensure that you minimize downtime and maximize productivity. We offer a variety of programs that will allow you to continue receiving our highest level of service and support after your standard manufacturer's warranty period has ended. Choose from a wide selection of cost-effective service options to fit your business needs.

Avoid the cost of unexpected repairs

Brother Assure Service is the ideal way to extend the useful life of your printer as well as avoid the cost of unexpected repairs. During the standard manufacturer's warranty, your Brother Mobile Solutions product is backed by our leading level of service and support. To continue receiving this level of support after the life of the warranty, you can add any one of our Brother Assure Service programs to safeguard your printer and return it to you in top working condition.

Rest assured... You're covered

With Brother Assure Service, you can rest easy knowing your printer will be cared for by industry experts. We guarantee personalized support to get your printer back on the job as quickly as possible.

Unprecedented level of service

Our state-of-the-art depot repair facility and experienced service technicians provide quality service and support for all product lines. Genuine Brother Parts are used to ensure you receive maximum compatibility and performance...guaranteed.

24 Hour Exchange Program

Brother Premier PLUS service is your ultimate coverage. This quick, overnight printer exchange program assures you receive a working printer within 24 hours with standard overnight outbound freight absolutely free! The Premier PLUS program bridges the gap between the turn-around time of depot repair and the higher cost of on-site service. Tap into Brother's managed printer pool inventory when your printer is down, with no need for you to buy extra printers.
