## The wide-format solution for easy integration and maximum productivity

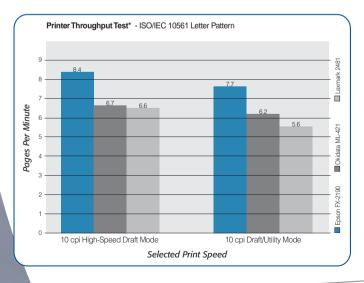

#### Epson FX-2190

With an expansive feature set and remarkable durability, the Epson FX-2190 impact printer offers the flexibility required for critical daily print requirements. Powerful, yet easy to use, this 9-pin, wide-carriage workhorse boasts an MTBF rating of 20,000 power-on hours (POH) and speeds of up to 680 cps.

An extremely reliable, high-value performer, the Epson FX-2190 provides Parallel, USB, and additional connectivity options for seamless integration. And, it includes Epson Remote Configuration Manager<sup>™</sup> software for easy printer setup and simple setting selections via most Windows<sup>®</sup> operating systems. Ideal for rugged environments, this robust printer is the perfect drop-in replacement for the Epson FX-1180/1180+/2180 or the Okidata<sup>®</sup> Microline<sup>®</sup> 321/321 Turbo.

The high-speed Epson FX-2190 races through forms up to 7 parts thick and 16.5" wide through four convenient paper paths. Its easy-to-install 12 million character ribbon cartridge boosts productivity and ensures a low cost per page, while its 400 million character print head life offers added dependability.

Complete with a newly designed control panel featuring a lock-out mode and other intuitive functions, this versatile product is the ideal solution for demanding print environments. And, as part of a comprehensive three-year warranty, it's backed by superior technical support from the world leader in impact printing.

#### **Key Features**

#### High-speed 9-pin printing

- Speeds through multipart forms, reports, labels, and more at up to 680 cps
- Extreme reliability in demanding print environments
- Offers an MTBF rating of 20,000 POH (25% duty cycle) and a 400 million character print head life

#### ···· User-friendly setup and operation

 Facilitates easy printer configuration using a newly designed control panel or its Windows-based Epson Remote Configuration Manager

#### · · Easy system integration

- Provides resident Epson, IBM<sup>®</sup> and Microline printer languages for increased compatibility
- Includes standard Parallel and USB connections, plus an additional slot for optional interface cards
- ··· Easy-to-install 12 million character ribbon cartridge
  - Ensures a lower cost per page, and reduces the need for frequent user intervention

#### · Advanced paper handling capabilities

 Provides four convenient paper paths to accommodate cut sheet paper and continuous forms up to 7 parts thick and 16.5" wide

#### ··· Standard three-year warranty

 Includes access to Epson's superior technical support

# **Printer** Specifications

#### Printer Method

9-pin, serial impact dot matrix

#### **Print Direction**

Bidirectional logic seeking for text and graphics printing. Unidirectional text or graphics printing can be selected using software commands.

Print Speed	
Ultra Speed Draft	680 cps (12 cpi)
	566 cps (10 cpi)
High Speed Draft	559 cps (10 cpi)
Draft	419 cps (10 cpi)
Letter-quality	104 cps (10 cpi)
(Note: Normal print speed is achieved when printer safety cover is	

fully closed)
