

# 2DSCAN FX200

## COMPACT AND MULTI-PURPOSE FIXED-MOUNT 2D BARCODE READER

Today's market demands high-performance barcode reading with speed, accuracy and data integrity. The ID TECH 2DScan FX200 is a well-designed fixed-mount scanner for 1D and 2D barcode scanning. It is flexible, compact, enables plug-and-play integration, and ensures reliable performance. It is perfect for a wide range of applications including: retail POS, kiosk terminals, vending machines, and industrial equipment. With the increasing popularity of 2D barcodes, the 2DScan FX200 ensures readability of many global symbologies.
