# KIOSK IV

COMPACT CONTACTLESS PAYMENT SOLUTION

The ViVOpay Kiosk IV is a compact, single piece NFC contactless solution certified with the latest contactless brand specifications and mobile wallet technologies. By supporting AMEX ExpressPay, Visa VCPS, MasterCard MCL, and Discover DPAS, along with Apple Pay, Samsung Pay, Google Pay, Apple VAS, and Google SmartTap 2.1, every transaction is covered no matter what you tap! With a wide temperature range, the rugged Kiosk IV is ideal for all environments. For existing customers, the device is command compatible with the Kiosk III so you can easily upgrade to the Kiosk IV in no time.
