Important:

Self-installation instructions and advice are provided for your convenience. It is your responsibility to determine if you have the knowledge, skills, and physical ability required to properly perform an installation. ProClip USA, LLC. shall have no liability for damage or injury resulting from the installation or use of any ProClip or third party products. It is your responsibility to ensure that all products are installed in adherence with local laws and regulations and in such a manner as to allow a vehicle to be operated safely and without distraction. ProClip USA, LLC. product warranties do not cover the installation, removal or re-installation of any product.

Attention:

Carefully read all instructions and review the images before installing this product.

1. Install Power and Optional Adapter

This sleeve is designed to accommodate the USB charging cable for the Zebra ET5x tablet and a USB to Ethernet adapter at the same time (USB Adapter is not included).

Install the adapter and power cable in the machined slots to secure them into the sleeve.

2. Install the Tablet

This sleeve has been designed to fit the ET5x 10.1" tablet without the rugged frame. The tablet fits into the top and bottom bumpers to center. Install the tablet and connect the cable.

3. Close the sleeve

The cover locks into place with a key lock on the side. Place the cover over the tablet and cabling and press the center pin to lock into place.

To unlock, use the included key (All keys are identical) and turn until the center pin springs out. The cover can then be removed.

4. Mounting

Using the include fastener kit, this this sleeve can be mounted to a wall or any AMPS or VESA 75/100 compatible mount. (Mount not included)

Returns
