SM-S200

Light Weight, Two Inch Portable Printer

The SM-S200 is designed to assist and empower portable hospitality and service industry users who require a small and light (232g - including battery) portable printer to "get the job done."

Easily fastened on a belt or held in the optional leather case, the SM-S200 is ideal for table-side dining and "line busting". It also boasts a Configurable Friendly Auto Power Down Mode. In addition to easy drop in & print paper loading and print speed of 80mm per second, the SM-S200 features an LCD display, magnetic stripe reader and comes standard with Serial and Bluetooth connection.
