We Offer Solutions for Productivity.

Model #3560 Twist Tie Machine

- Perfect for bakeries, supermarkets, food service, industrial and retail applications.
- Lighter, smaller and simpler to use than any other twist tie machine on the market. Fully portable, can be used anywhere it is needed.
- Straight line ribbon feed stops jamming of the twist tie ribbon.
- Ultra tight tie with easy insertion into machine.
- Can tie up to 40 bags per minute.
- Uses only a 3" piece of twist tie per closure which is 25% less than competitive machines.
- Works with virtually all types of twist tie ribbon including our style number 03-2500, 01-2460, 20-4000 and our exclusive Polycore non-metallic twist tie ribbon.
