TACH-IT ®

Ben Clements and Sons, Inc.

We Offer Solutions for Productivity.

Model # LB2:
Bottle and Cylindrical Product Label Applicator.

- Premium Semi-Automatic Label Applicator.

- Simply put the container to be labeled into the machine and press the footpedal and a label is applied smoothly and consistently every time.

- Can apply 1 label or a front and back label (must be alternating on label web).

- Heavy Duty Construction and Product Fixtures for consistent label placement.

- Perfect for microbreweries, wineries, jams and jellies and for users who cannot cost justify a fully automated inline labeling system.

- Container Diameter - Maximum: 4" (101 mm), Minimum 1/2" (12.5 mm).

- Small bench top design built for 24/7/365 productivity.

- Easy to load and use and has adjustable product cradle.
