

Take the Paperless Pledge:

Replace Pen & Paper Workflows with
Zebra ET40/ET45 Tablets

Why Go Paperless?

Paper-based workflows create:

Manual
errors

Slower data
collection

Lost or damaged
records

Time wasted on
paperwork, not production

How Zebra ET40/ET45 Tablets Help:

1

Digital Records Management

Replace paper forms, logs, and compliance records with fast, secure digital entry.

2

Real-Time Inspections & Quality Checks

Capture inspection results instantly with fewer errors.

3

Instant Access to Work Instructions

Deliver digital work instructions, diagrams, and reference materials right to the plant floor.

4

Inventory & Materials Tracking

Eliminate manual tracking and scan barcodes while updating inventory in real time.

5

Shift-Ready Mobility

Rugged, lightweight tablets with removable battery, designed to keep up with your workforce.

The Results:

Reduce errors
and rework

Save time per
shift

Support continuous
improvement and lean
initiatives

Improve data accuracy
and visibility

Increase team efficiency
and morale

Join the Paperless Pledge Today

Say goodbye to paper — and start transforming your manufacturing floor.
